

Scan N Cut Tees & Machine Supply List

Instructor: Tracy

Embellish a Tee (t-shirt) by decorating with the easy to use HTV (Heat Transfer Vinyl) when cutting out a design with your ScanNCut machine. Personalize your ScanNCut machine with your name while learning how to cut and transfer adhesive vinyl using the built-in fonts. Other projects will be shown in class to give you inspiration. This class is for the following models: 350, 550, 650 and the new SDX225. One 3-hour class. \$25 + Supplies.

You will receive a 20% discount on supplies needed for class. Please ask for assistance.

You Will Need-Please read thoroughly very important.
