

## Intro to The Scan N Cut Supply List Instructor: Tracy

This will be a hands-on class to better acquaint you with this wonderful machine. The features covered will include: choosing from one of the many designs available, resizing, scanning before cutting, cut settings, the three different scanning attributes, icons and what they do, plus much, much more. One 3-hour class. \$25 + Supplies.

You will receive a 20% discount on supplies needed for class. Please ask for assistance.

### **You Will Need**-Please read thoroughly.
