Kimberbell Club plus Hands-On Class
March Supply List Flower Zipper Clutch
March 1, 10:00 am, March 2, 9:30 am
Instructor: Tracy

Featuring a sophisticated combination of textiles like linen and wool, the Flower Zipper Clutch comes in three sizes. From durable cork to dainty calicos, create your own aesthetic by trying a different fabric medium for each petal. Unlike traditional machine embroidery applique where the design is secured with a satin stitch, raw edges of the pretty petals are surrounded with whimsical outline stitches. The clutch is fully lined, plus Kimberbell makes installing a zipper remarkably easy in-the-hoop.

The kit will be using denim for the outside, quilters cotton for the lining and wool felt for the petals and center.

Each attendee will receive a free design/s which will be downloaded to their USB along with printed instructions to create the project and kits will be available for purchase at the time of class. Most of the designs will fit in a 4x4 or 5x7 hoop. One 3-hour class. \$20 for each month (fabric kit available for purchase) + Supplies See Below

You will receive a 20% discount on supplies needed for class. Please ask for assistance.
